

PRODUCT-DETAILS

# DDA203 A-63/0.03 AE

# DDA203 A-63/0.03 AE Residual Current Device Block

| General Information   |   |
|-----------------------|---|
| Extended Product Type | DDA203 A-63/0.03 AE   |
| Product ID            | 2CSB203701R1630   |
| EAN                   | 8012542802105   |
| Catalog Description   | DDA203 A-63/0.03 AE Residual Current Device Block   |
| Long Description      | The RCD block DDA200 series is suitable for assembly with MCBs S200 series and S300P. It assures protection against the effects of sinusoidal alternating and direct pulsating earth fault currents, protection, against indirects contacts and additional protection against direct (with sensitivity = 30 mA) contacts. It is provided with two additional contacts to be used in emergency circuits for remote opening in positive safety. Applications: commercial, industrial. |

| Technical                       |                     |
|---------------------------------|---------------------|
| Standards                       | IEC/EN 61009 Ann. G |
| Type of Residual Current        | Туре А              |
| Application                     | For emergency stop  |
| Rated Voltage (U <sub>r</sub> ) | 230/400 V           |
| Rated Operational Voltage       | 400 V               |

DDA203 A-63/0.03 AE 2/4

| Rated Insulation Voltage $(U_i)$                          | 500 V                                 |
|---|---------------------------------------|
| Rated Impulse<br>Withstand Voltage (U <sub>imp</sub><br>) | 4 kV                                  |
| Rated Current (I <sub>n</sub> )                           | 63 A                                  |
| Rated Residual Current                                    | 30 mA                                 |
| Leakage Current Type                                      | A                                     |
| Rated Frequency (f)                                       | 50 60 Hz                              |
| Power Loss  | 7.6 W                                 |
| Power Supply<br>Connection                                | Arbitrary                             |
| Electrical Endurance                                      | 10000 cycle                           |
| Number of Poles   | 3                                     |
| Operating Characteristic                                  | Instantaneous (AE for Emergency Stop) |
| Options Provided  | For emergency stop                    |
| Connecting Capacity                                       | Rigid 25 25 mm²<br>Flexible 25 25 mm² |
