

PRODUCT-DETAILS

# IS2-EK3040KN

## IS2-EK3040KN Control and Automation Board

| General Information        |                                                  |
|----------------------------|--------------------------------------------------|
| Extended Product Type      | IS2-EK3040KN                                     |
| Product ID                 | EK3040KN                                         |
| EAN                        | 8015646773531                                    |
| Catalog Description        | IS2-EK3040KN Control and Automation Board        |
| Long Description           | Base/top+ external cable container 300x400mm WxD |
| Technical                  |                                                  |
| Standards                  | See code for structure                           |
| Sub-Function 3             | Cable trough                                     |
| Suitable For               | IS2 Enclosures for Automation                    |
| Suitable for Product Class | Control and Automation Board                     |
| Maximum Load Capacity      | 40 kg                                            |
| Configuration Type         | 1. Base/top                                      |
| Enclosure Type             | Kit - Base/Top                                   |
| Mounting Type              | Kit                                              |
| Product Type               | 5B5B20B210                                       |
| Surface Finishing          | Orange Peel, RAL 7035                            |
| Material                   | Pickled steel sheet                              |
