| Catalog Description   | KPR1-103W Reset push button                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Long Description      | <p>The KPR1-103W Reset push button is: Without shaft - Momentary - Flush - White - Non-illuminated - Black Plastic - RUECKSTELLTASTE KPR1-103W FLACH OHNE STOESSEL WEISS TEXT II</p> <p>This Reset push button is part of ABB's modular plastic range, the most versatile range with a high level of flexibility and market-leading electrical ratings. Engineered for total reliability, longer lifetime, and highest mechanical durability. Self-cleaning contacts ensure reliable operation without the need for maintenance, increasing uptime. A high degree of protection guarantees reliability in extreme environments. The innovative design simplifies the entire process, from selection to easy and quick, tool-free installation. The perfect solution for every application.</p> |
