

PRODUCT-DETAILS

CR-P/M 52B

CR-P/M 52B Pluggable module RC element 6-24VAC/DC

| General Information   |                                                                                                                                                                                           |

| Catalog Description   | CR-P/M 52B Pluggable module RC element 6-24VAC/DC                                                                                                                                         |
| Long Description      | The CR-P/M 52B plug-in module is a pluggable function module for the CR-P and CR-M range sockets. This module provides arc elimination. The rated control supply voltage is 6-24 V AC/DC. |
