| Catalog Description   | MPD12-11G Double Pushbutton                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Long Description      | The MPD12-11G Double Pushbutton is: Momentary - Flush/Extended - Green/Red Actuator, Green Indicator - Illuminated - Black Plastic - No contact block - Red - Red - No text - No text                                                                                                                                                                                                                                                                                                                                                                                                              |
|                       | This Double Pushbutton is part of ABB's modular plastic range, the most versatile range with a high level of flexibility and market-leading electrical ratings. Engineered for total reliability, longer lifetime, and highest mechanical durability. Self-cleaning contacts ensure reliable operation without the need for maintenance, increasing uptime. A high degree of protection guarantees reliability in extreme environments. The innovative design simplifies the entire process, from selection to easy and quick, tool-free installation. The perfect solution for every application. |
