| Catalog Description   | MPD4-11Y Double Pushbutton                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Long Description      | The MPD4-11Y Double Pushbutton is: Maintained - Flush/Flush - Green/Red Actuator, Yellow Indicator - Illuminated - Black Plastic - No contact block - Red - Red - STOP - START                                                                                                                                                                                                                                                                                                                                                                                                                     |
|                       | This Double Pushbutton is part of ABB's modular plastic range, the most versatile range with a high level of flexibility and market-leading electrical ratings. Engineered for total reliability, longer lifetime, and highest mechanical durability. Self-cleaning contacts ensure reliable operation without the need for maintenance, increasing uptime. A high degree of protection guarantees reliability in extreme environments. The innovative design simplifies the entire process, from selection to easy and quick, tool-free installation. The perfect solution for every application. |
