

PRODUCT-DETAILS

NVWZ-M207R/P  
FTNG ONLY 90D M20 NW17 PA6/BR

| General Information   |                                                                                                                                                                    |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type | NVWZ-M207R/P                                                                                                                                                       |
| Product ID            | 7TAA292150R0900                                                                                                                                                    |
| EAN                   | 7630030252181                                                                                                                                                      |
| Catalog Description   | FTNG ONLY 90D M20 NW17 PA6/BR                                                                                                                                      |
| Long Description      | VWZ Connector 90 Degree Elbow, Metric Metal Thread with Strain Relief IP68 - Tread M20x1.5, Conduit Size NW 17, Without Sealing Insert, Range 6.5-9.5, Color Black |

| Additional Information |                                                       |
|------------------------|-------------------------------------------------------|
| Application            | Use In Railway Vehicle and Heavy Machine Construction |
| Product Type           | Fittings for Nylon Flexible Conduits                  |

| Ordering |               |
