

PRODUCT-DETAILS

SAMHL32/50M

ANTI-MICROB LIQ.TIGHT NC32 50MT WHT

| General Information   |                                                                                                                                                                                                                                                          |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type | SAMHL32/50M                                                                                                                                                                                                                                              |
| Product ID            | 7TCA296030R0447                                                                                                                                                                                                                                          |
| EAN                   | 5020963801563                                                                                                                                                                                                                                            |
| Catalog Description   | ANTI-MICROB LIQ.TIGHT NC32 50MT WHT                                                                                                                                                                                                                      |
| Long Description      | Liquidtight. Anti-Microbial Conduit, Nominal Conduit Size 32mm, Outside Diameter 33.1mm, Inside Diameter 26.7mm, Static Bend Radius 144mm, IP40-IP69 Rating, Galvanised Steel Core, String Packed and Thermoplastic Jacket, Reel Length 50 Meters, White |

| Additional Information |                                                                    |
|------------------------|--------------------------------------------------------------------|
| Application            | Suitable for indoor splash zone areas or food processing equipment |
| Product Type           | Anti-Microbial Conduit                                             |

| Ordering |               |
