

PRODUCT-DETAILS

N2280 BL

Signaling light LED not exchangeable / White  
White - Zenit

| General Information      |                                                            |
|--------------------------|------------------------------------------------------------|
| Extended Product Type    | N2280 BL                                                   |
| Product ID               | 2CLA228000N1101                                            |
| EAN                      | 8427238063157                                              |
| Catalog Description      | Signaling light LED not exchangeable / White White - Zenit |
| Long Description         | Color: White.                                              |
|                          | Rated voltage: 127-230 Vac / 50-60 Hz                      |
|                          | Lamp: white LED                                            |
|                          | Luminous flux: > 2 lumen at 1 meter                        |
| White diffuser           |                                                            |
| Size: 2 modules.         |                                                            |
| Installation             |                                                            |
| Instructions and Manuals | 2CLX818019A1001                                            |
| Mounting Type            | Flush Mounted                                              |
| Type of Fastening        | Engage (Snap)                                              |

|                                   |                      |
