

# Modular reception system Installation set and accessories

## Application example

Connections diagram

View

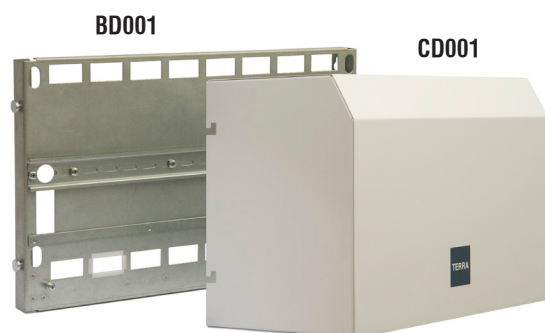

**SRM522** - dSCR cascaded single cable multiswitch

**tdx420C** - twin transmodulator with CAMs,

**tdx480** - octo transmodulator

**UP413** - power supply

- Base plate BD001:  
capacity 8 modules, dimensions 463x297x38 mm
- Cover CD001:  
Dimensions 455x297x210 mm  
Dimensions / Weight (packed) of the set 463x297x212 mm / 7 kg  
Ordering number of the set 14820

ID001

- DIN rail holder ID001 for mounting on base plate BD001
- Dedicated for mounting NetGear GS308 ethernet switch and SRM522 dSCR multiswitch, right angle 5.5/2.1 mm adapter in scope
- Dimensions / Weight (packed) DIN rail holder 198x134x41.5 mm / 0.44 kg  
Ordering number 14822

GS308

- NetGear GS308 - unmanaged ethernet switch, 10/100/1000 Mbps, 8 ports
- DC powering 12 V 320 mA, power supply unit included  
Ordering number 14823

FD001

- Ventilation unit with thermostat FD001
- DC powering 12 V 300 mA, power supply unit included
- Dimensions / Weight (packed): 447x140x52.5 mm / 1.5 kg  
Ordering number 14821

- Flat LAN cable, 0.5 m length  
Ordering number 14824
