

# Floor standing enclosures

## Combinable and compact version, high protection IP66

### MOUNTING INSTRUCTIONS

7697-0302-01 REV. 8

---

# MCS-HP

# MKS-HP

**WARNING:** When mounting on or over a combustible surface, a floor plate of at least 1.43 mm galvanized or 1.6 mm uncoated steel extended at least 150 mm beyond the equipment on all sides must be installed.

**WARNING:** In order to maintain the environmental integrity of the enclosure, devices with the same environmental ratings shall be used to close openings in customized enclosure.
