

Anelli tipo AB-AX-AG-OT

Rings type AB-AX-AG-OT

Settori di Impiego / Areas of application

DESCRIZIONE / DESCRIPTION

I raccordi serie AM sono forniti con anello standard di colore blu (codice AB). Per rendere possibile l'accoppiamento a tutti i nostri tipi di guaine, sono disponibili anelli speciali da ordinare separatamente (codici AX-AG-OT).

Fittings series AM are supplied with standard blue ring (code AB). In order to match our fittings with all our different types of conduits, special rings are available to be ordered separately (codes AX-AG-OT).
