Descrizione generale del prodotto: TL75 Set di puntali Hard Point

Product overview: Fluke TL75 Hard Point™ Test Lead Set

The Fluke TL75 Hard Point™ Test Leads are a set of comfort grip, PVC-insulated probes. TL75s offer the convenience of a test lead and probe together in one unit with a variety of connections. This set of test leads are recommended for all general-purpose measurements and are compatible with a wide range of Fluke meters and tools.

Designed for safety

The Fluke TL75 Hard Point™ Test Lead Set is CAT II 1000 V, 10 A rated. When the protective caps are placed on the leads, the ratings jump up to CAT IV 600 V, CAT III 1000 V.

Compatible with Fluke alligator clips

Expand your measurement capabilities with special adapters to your TL75 set. Add alligator clips or adapters to accomplish even more:

- [Fluke AC175 Alligator Clip Set](#)
- [TP920 Test Probe Adapter Set](#)
