

Product Data Sheet

RL19-48100 Builtin Driver

Item	Rated Input Voltage	Output Voltage	Efficiency	Output Current	DF	IP
RL19-48100	110-240VAC	48V	90%	3.1A	0.93	IP20

Product Features

Exquisite appearance, magnetic design, easy installation
Constant output voltage 48V
Output Power Range 0-150W
Lifespan is more than 30000 hours
Class I protection level

Technical parameters:

AC voltage range:	110-240V
Rated current:	3.1A
Output Voltage:	48VDC \pm 3%
Output power:	150W
Efficiency	90%
Load regulation	5%
Overvoltage protection:	60V
The ambient temperature at which the drive is used	40°C
Max casing temperature	60°C
Storage temperature	25°C
Driver Dimension (L*W*H)	304*15.8*32mm
