Technical drawing of the GAX6000 power supply unit. The drawing includes two views: a front view on the left and a side view on the right. The front view shows a rectangular unit with a width of 72mm and a height of 78mm. It features a central circular fan with a diameter of 50mm. The side view shows a depth of 89mm and a mounting bracket height of 27mm. The model name GAX6000 is printed below the side view.

Technical drawing of a hand tool, possibly a scraper or a similar implement. The drawing shows two views: a side view and a top view. The side view shows a handle with a curved grip and a flat, rectangular head. The top view shows the head with a width of 025 and a length of D. The handle is shown in a cross-section view, indicating a diameter of 025.
