

Posizionare a filo pavimento finito!
Flush to the floor

ORIENTAMENTO CASSAFORME.

Nel caso di installazione dei modelli orientabili, fare attenzione durante il posizionamento delle cassa-forme:

il riferimento presente nella cassa-forma (indicato con la freccia) sta ad indicare l'asse di rotazione dell'emissione luminosa.

SQUARE OUTER-CASING INSTALLATION:

be sure that all outer-casing are align to a same reference line to obtain the same luminous effect and the same alignment.

RIFERIMENTO - reference axis
Asse di rotazione - rotation axis
