

## Data sheet

### 030RSLNSF1

Selettore a leva, nero, 3 posizioni, Cam S, N.O.+N.C.

## Features

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Range             | 030 Comando e Segnalazione EL-SG Ø 30                 |
| Product           | Selettori a leva Ø 30                                 |
| Type              | 3 posizioni                                           |
| Item code         | 030RSLNSF1                                            |
| Description       | Selettore a leva, nero, 3 posizioni, Cam S, N.O.+N.C. |
| Colour            | Nero                                                  |
| Weight - gr       | 85,000                                                |
| Custom tariff no. | 85365080                                              |
| GTIN              | 8052878034979                                         |

## Technical data

|                               |                                                  |
|-------------------------------|--------------------------------------------------|
| Approvals                     | CE, UL, CSA, EAC                                 |
| Compliance with standards     | IEC-EN60947-1, IEC-EN60947-5-1, UL508, CSA C22-2 |
| Operating temperatures        | -25° ÷ +65°C                                     |
| Protection degree             | IP65 (IEC-EN60529)                               |
| Mechanical durability         | 1.000.000 Operations                             |
| Housing material              | PA Polyamide                                     |
| Knob or lever material        | PC Polycarbonate                                 |
| External bezel material       | Chromed zinc alloy                               |
| Fixing diameter               | 30.5mm - Thickness 1÷6mm                         |
| Tightening torque             | 2 ÷ 3Nm (17.7 ÷ 26.6 Lb-in)                      |
| Overvoltage category          | Class II (IEC-EN61140)                           |
| Contact block                 | Included                                         |
| Contact block characteristics | See technical features of 030FA - 030FC - 030F1  |
| Warranty period               | 18 months                                        |
