

## Data sheet

### 040C1515-1ES4

Scatola pulsantiera alluminio M4 152x152x100, 4 fori Ø 30, con entrata cavo

## Features

|                   |                                                                             |
|-------------------|-----------------------------------------------------------------------------|
| Range             | 040 Scatole e Cassette Pulsantiere in Metallo                               |
| Product           | Scatole pulsantiera alluminio M4 152x152 mm                                 |
| Type              | Coperchio con 4 fori Ø 30                                                   |
| Item code         | 040C1515-1ES4                                                               |
| Description       | Scatola pulsantiera alluminio M4 152x152x100, 4 fori Ø 30, con entrata cavo |
| Colour            | Grigio RAL7035                                                              |
| Weight - gr       | 734,000                                                                     |
| Custom tariff no. | 85381000                                                                    |
| GTIN              | 8052878045098                                                               |

## Technical data

|                           |                                                    |
|---------------------------|----------------------------------------------------|
| Approvals                 | CE, UL, CSA                                        |
| Compliance with standards | IEC-60529, UL508A, UL50, UL50E, CSA C22.2 No.14-13 |
| Operating temperatures    | -40° ÷ +100°C                                      |
| Protection degree         | IP66 - IP69K - TYPE 4, 4X (IEC-EN60529 - NEMA 250) |
| Protection against impact | IK09 (IEC-EN62262)                                 |
| Manufacturing process     | Diecasting                                         |
| Enclosure material        | Aluminum Al Si11 Cu2 (EN AC46100)                  |
| Gasket material           | Cork rubber                                        |
| Screw material            | Stainless steel AISI 304                           |
| Screw type                | M4 - cross head Phillips 2                         |
| Tightening torque         | 2,5Nm (22.1 Lb-in)                                 |
| Overvoltage category      | Class I (IEC-EN61140)                              |
| Warranty period           | 18 months                                          |
