

## Data sheet

### 040L0836-8EN

Scatola pulsantiera inclinata alluminio M10 85x360x85, grezza, senza fori, con entrata cavo

## Features

|                   |                                                                                             |
|-------------------|---------------------------------------------------------------------------------------------|
| Range             | 040 Scatole e Cassette Pulsantiere in Metallo                                               |
| Product           | Scatole inclinate alluminio M10 85x360 mm                                                   |
| Type              | Coperchio senza fori                                                                        |
| Item code         | 040L0836-8EN                                                                                |
| Description       | Scatola pulsantiera inclinata alluminio M10 85x360x85, grezza, senza fori, con entrata cavo |
| Colour            | Non Verniciato                                                                              |
| Weight - gr       | 1425,000                                                                                    |
| Custom tariff no. | 85381000                                                                                    |
| GTIN              | 8052878047658                                                                               |

## Technical data

|                            |                                                    |
|----------------------------|----------------------------------------------------|
| Approvals                  | CE, UL, CSA                                        |
| Compliance with standards  | IEC-60529, UL508A, UL50, UL50E, CSA C22.2 No.14-13 |
| Operating temperatures     | -40° ÷ +100°C                                      |
| Protection degree          | IP66 - IP69K - TYPE 4, 4X (IEC-EN60529 - NEMA 250) |
| Protection against impact  | IK09 (IEC-EN62262)                                 |
| Manufacturing process      | Diecasting                                         |
| Enclosure material         | Aluminum Al Si11 Cu2 (EN AC46100)                  |
| Gasket material            | Nitrile rubber                                     |
| Screw material             | ZAMAK zinc alloy                                   |
| Screw type                 | M10 - slotted head type 6mm flat blade             |
| Tightening torque          | 3Nm (26.6 Lb-in)                                   |
| Painting (where available) | Polyester powder coating                           |
| Overvoltage category       | Class I (IEC-EN61140)                              |
| Halogen-free               | yes                                                |
| Warranty period            | 18 months                                          |
