Scatola pulsantiera in polistirene 94x180x81, senza fori, giallo

## Features

|                   |                                                                  |
|-------------------|------------------------------------------------------------------|
| Range             | 080 Scatole e Cassette Pulsantiere in Termoplastico              |
| Product           | Scatole pulsantiere 94x180 mm                                    |
| Type              | Coperchio giallo senza fori                                      |
| Item code         | 080CS0918-8G                                                     |
| Description       | Scatola pulsantiera in polistirene 94x180x81, senza fori, giallo |
| Colour            | Grigio RAL 7035                                                  |
| Weight - gr       | 263,000                                                          |
| Custom tariff no. | 85381000                                                         |
| Material          | Polistirene                                                      |
| GTIN              | 8052878057008                                                    |

## Technical data

|                                |                                                    |
|--------------------------------|----------------------------------------------------|
| Approvals                      | CE                                                 |
| Compliance with standards      | IEC-60529, UL508A, UL50, UL50E, CSA C22.2 No.14-13 |
| Operating temperatures         | -25° ÷ +40° C                                      |
| Protection degree              | IP66 - IP69K - TYPE 4, 4X (IEC-EN60529 - NEMA 250) |
| Protection against impact      | IK07 (IEC-EN62262)                                 |
| Enclosure material             | PS Polystyrene                                     |
| Gasket material                | Polyurethane foam                                  |
| Screw material                 | PA Black Polyamide - fiber glass reinforced        |
| Tightening torque              | 0.8 ÷ 1.2Nm (7.1 ÷ 10.6 Lb-in)                     |
| Overvoltage category           | Class II (IEC-EN61140)                             |
| Heavy metal-free               | yes                                                |
| PVC-free                       | yes                                                |
| Silicon-free                   | yes                                                |
| Halogen-free                   | yes                                                |
| Combustion behaviour           | HB (UL94)                                          |
| Combustion behaviour           | 650°(EN-IEC 60695-2-11)                            |
| Fitted for outdoor application | No                                                 |
| Warranty period                | 18 months                                          |
