## Expansion piece, metric thread

Item number: 2088283

The areas of application for brass cable glands range from junction boxes as a distribution/connection box up to large industrial applications for safe floor routing to switchgear cabinets with a control and distribution function. For high mechanical requirements, OBO can offer the entire family of extensions (Part K) to DIN 46320.

\* Prices according to DEL notation.

Brass

Nickel-plated
