

NetKey® Flush Mount Modular Patch Panels

specifications

Flush mount modular patch panels shall consist of a metal panels with molded rear snap-in faceplates. Patch Panels shall accept all NetKey Modules for UTP, fiber or A/V applications and shall mount to standard 19" racks. Patch panels shall be available in 24-port and 48-port standard density. Flush mount patch panels shall be easy to identify with pre-numbered ports. Angled patch panels shall be designed at an optimum angle to help route the cable.

technical information

Mounting options:	Mounts to standard 19" rack
Material:	Stamping is CRS and faceplate is ABS
Packaging:	Packaged with appropriate pre-installed snap in faceplates and a set of mounting screws (#12-24)

key features and benefits

Modular	Accepts all NetKey Modules to mix and match media types in the same panel
Angled design	Minimize the need for horizontal cable managers by enabling patch cords to be routed directly into vertical cable managers which leads to increase closet density
Port and panel identification	Pre-numbered ports with write on areas
Optional strain relief bars	To help support and manage cables
Optional filler panels	Flat and angled design fill unused rack openings to provide a clean and consistent look when used with any version of Panduit patch panels
Optional extender bracket	Allows 19" patch panels to be mounted on a 23" rack

applications

NetKey Flush Mount Modular Patch Panels are ideal for multi-media applications. They accept all NetKey Modules. Flat and angled designs in various port densities are available, including pre-numbered port identification. Angled patch panels are available for applications in which rack space is limited. The design allows cable to flow to each side of the rack, minimizing the need for horizontal cable managers and increasing the density of the rack space. Flush mount patch panels can mount on a standard 19" rack or a 23" rack when using the extender brackets PEB1 or PEB2.

Flat Style

24-port, 1 RU:	NKPP24FMY
48-port, 2 RU:	NKPP48FMY

Angled Style

24-port, 1 RU:	NKPPA24FMY
48-port, 2 RU:	NKPPA48FMY

Patch Panel Accessories

Transitional cover:	CPATCBL
Angled filler panel 1 RU:	CPAF1BLY
Angled filler panel 2 RU:	CPAF2BLY
Flat filler panel 1 RU:	DPFP1
Flat filler panel 2 RU:	DPFP2

Extender Brackets

1 RU:	PEB1
2 RU:	PEB2
