Innovative

With Philips CoreLine you get much more than high quality and easy-to-install lighting solutions – you get LED lighting that’s setting the reference in the industry. The CoreLine range includes numerous luminaires that are Interact Ready, which means they work seamlessly with the Interact Pro system. It has never been easier to bring the power of connected lighting to small and medium-sized enterprises!

How the connected lighting system comes together

Easy-to-install

You know what really matters on the job. Fast and easy installation, right? You want to be in and out, quickly, efficiently and professionally. The CoreLine range has been designed to help you do exactly that. Look for the easy installation icon on the product pages to learn more!

High quality

At the heart of CoreLine’s high-quality light is LED technology. Lasting up to 75,000 hours, its long lifetime enables you to meet every demand and provide the best lighting solution for every customer.

Industry

- Extremely durable and energy-efficient solutions
- Lighting that enhances safety and improves productivity
- Reduce costs and improve sustainability

Office

- Lighting that optimizes space and productivity
- Enhance employees well-being
- Energy-efficient lamps and luminaires support sustainability goals

Parking

- Robust lighting that heightens safety while lowering costs
- Deliver a positive user-experience and improve visibility
- Ensure energy savings and decrease operational costs

Retail and Hospitality

- Welcoming lighting for more sales and satisfaction
- Help to save on energy costs and improve operational efficiency
- Optimize store layouts and customer guidance

Outdoor

- Save energy and improve outdoor environment
- Reduce CO₂ emissions for a greener, more sustainable city
- Connect new and existing outdoor lights quickly and easily

Recommended luminaires for Industry

- ✓ Reduce costs
- ✓ Optimize operations
- ✓ Enhance health and safety
- ✓ Improve sustainability

CoreLine highbay

For warehouses and general manufacturing areas with medium/high height ceilings

- Highly efficient with up to 150lm/W
- **Long service life of 50,000 hrs at (L80)**
- Low glare without additional reflector accessories and color rendering of >80
- Suitable for replacement of 250W/400W conventional highbays

interact ready.

Available in three lumen outputs:

- 10500lm
- 20500lm
- 25500lm

and choice of narrow or wide beam

Easy installation

Optional DALI dimming for further energy savings

Easy installation

- ✓ Single point mounting system
- ✓ Installation on existing grids
- ✓ Ready to install with external IP rated connector pre-mounted

CoreLine Value highbay

For warehouses and general manufacturing areas with medium/high height ceilings

- **Great value solution for essential projects**
- Very efficient with up to 140lm/W
- Suitable for replacement of 250W/400W conventional highbays

IP65 external electrical connection

Selection of optional accessories: reflectors and mounting bracket

High-quality die-cast aluminium housing

Easy installation

- ✓ External IP rated connector
- ✓ No need to open the luminaire for installation
- ✓ Easy mounting on hook or optional bracket

Recommended luminaires for Industry

- ✓ Reduce costs
- ✓ Optimize operations
- ✓ Enhance health and safety
- ✓ Improve sustainability

CoreLine waterproof

Waterproof luminaire for applications such as parking garages, warehouses or general lighting

- Energy savings and longer lifetime reduce operating costs
- Uniform, wide-beam light distribution, which supports easy and attractive lighting design
- Optional motion detection, emergency lighting, DALI and waterproof external connector (WEC)

interact ready.

Energy-efficient and long lifetime: up to 140lm/W and 50khrs (L80) lifetime

Many options available: L600/1200/1500, up to 8000lm, 4000K

Refreshed, robust design enabling smarter, simpler and faster installation

Easy installation

- ✓ Longer sliders and improved locks for easier opening and closing
- ✓ Improved electrical design enables installation without using any tools

CoreLine trunking

Designed for supermarkets, warehouses and assembly areas

- Reduced maintenance and best lumens per € solution
- Excellent beam shapes and sparkle for product enhancement
- **Lifetime: 50,000 hours (L80)**

interact ready.

Highly efficient and reliable LED boards

Advanced optics enable precise and energy-saving beam shapes

DALI and emergency lighting options available

Easy installation

- ✓ Pre-assembled light unit – simply install and complete electrical connection
- ✓ Just two unique components needed to create a smooth light line

Recommended luminaires for Industry

- ✓ Reduce costs
- ✓ Optimize operations
- ✓ Enhance health and safety
- ✓ Improve sustainability

CoreLine batten

LED luminaires especially suitable for assembly lines and cove lighting

- Ideal for setting up seamless and aesthetic light-lines creations for warehouses and industrial spaces
- Smart product architecture for tool-free, easy and flexible installation, with through-wiring possibility
- Direct replacement for conventional battens in terms of light performance, installation, flexibility and length
- **Lifetime: 50,000 hours (L70)**

Easy light-lines creation

Homogeneous
light distribution
in every
application

Openable top
compartment for easy
installation

Easy installation

- ✓ Smart product architecture for tool-free installation
- ✓ Through-wiring possibility
- ✓ Easily create seamless light-lines

Recommended luminaires for Offices

- ✓ Optimize operations
- ✓ Enhance productivity
- ✓ Support sustainability goals
- ✓ Optimize space

CoreLine recessed

Recessed office LED luminaire for general lighting applications

- **Interact Ready version: integrated wireless antenna for use with Interact Pro app and dashboard**
- Suitable for plaster ceiling installation
- Easy connection (with looping)
- MultiLumen feature: Easily switchable between different lumen outputs (2800, 3400, 4000lm)
- DALI and emergency lighting options available
- Flicker-free thanks to high performance driver
- **Lifetime: 50,000 hours (L80)**

interact ready.

Slim design with a height of less than 35 mm

Office compliant optic available – OC version

Innovative MultiLumen feature: 3 different lumen outputs in one luminaire

- Easy installation**
- ✓ Quick connector – simply detach, wire and re-connect with the luminaire
 - ✓ Various accessories and looping enable flexible installation

CoreLine surface-mounted

Surface mounted LED luminaire for general lighting applications

- **Interact Ready version: integrated wireless antenna for use with Interact Pro app and dashboard**
- Easy connection (with looping)
- MultiLumen feature: Easily switchable between different lumen outputs (2800, 3400, 4000lm)
- DALI and emergency lighting options available
- Flicker-free thanks to high performance driver
- **Lifetime: 50,000 hours (L80)**

interact ready.

Suspension set available as an accessory

Recessed version also available for use in grid ceilings (see above)

Innovative MultiLumen feature: 3 different lumen outputs in one luminaire

- Easy installation**
- ✓ Quick connector – simply detach, wire and re-connect with the luminaire
 - ✓ Various accessories and looping enable flexible installation

Recommended luminaires for Offices

- ✓ Optimize operations
- ✓ Enhance productivity
- ✓ Support sustainability goals
- ✓ Optimize space

CoreLine panel

Recessed office LED luminaire for general lighting applications

- **Interact Ready version: integrated wireless antenna for use with Interact Pro app and dashboard**
- Three lumen packages in one single luminaire
- Quick connector or Wieland connector for simpler and faster installation
- Higher energy savings and lifetime
- Smooth surface of light for office-compliance
- CRI 90 versions available
- Optional Emergency Lighting (EL) version available
- **Lifetime: 50,000 hours (L80)**

interact ready.

MultiLumen driver

Easy connector

MultiLumen feature:
three different lumen output ranging between 3100 to 4300 lumen in one single luminaire

Easy installation

- ✓ Quick connector – simply detach, wire and re-connect with the luminaire

CoreLine downlight

The perfect downlight for use in general lighting applications

- **Interact Ready version: integrated wireless antenna for use with Interact Pro app and dashboard**
- Covers more professional applications due to dimming options and different optics (white and high gloss reflector)
- Reliable DALI and innovative connectivity options (Interact)
- IP54 and emergency lighting versions optionally available
- **Lifetime: 50,000 hours (L70)**
- Up to 115 lm/W

interact ready.

White reflector

High gloss reflector

Two sizes and lumen outputs available:

- Ø 150 mm/1100lm
- Ø 200 mm/2100lm

Easy installation

- ✓ Standard cut-out size
- ✓ Handy push-in connectors

Recommended luminaires for Offices

- ✓ Optimize operations
- ✓ Enhance productivity
- ✓ Support sustainability goals
- ✓ Optimize space

CoreLine slim downlight

The ultra thin downlight for general lighting applications with limited built-in-height

- **Interact Ready version: integrated wireless antenna for use with Interact Pro app and dashboard**
- 'Surface of light' downlight solution
- Product height of less than 50 mm
- Recessed and surface mounted version available
- Slim design fits most ceiling types
- **Lifetime: 50,000 hours (L70)**

interact
ready.

Easy installation

Surface mounted versions available in 150 and 200 diameter

Three sizes and lumen output available:

- Ø 68 mm/650lm
- Ø 150 mm/1100lm
- Ø 200 mm/2100lm

Easy installation

- ✓ Push-in connector for fast and straightforward installation
- ✓ Through-wiring option
- ✓ Slim design fits most ceiling types
- ✓ Standard cut-out size

Recommended luminaires for Parking

- ✓ Optimize operations
- ✓ Enhance safety
- ✓ Decreased operational costs
- ✓ Improve visibility

CoreLine waterproof

Waterproof luminaire for applications such as parking garages, warehouses or general lighting

- Energy savings and longer lifetime reduce operating costs
- Uniform, wide-beam light distribution, which supports easy and attractive lighting design
- Optional motion detection, emergency lighting, DALI and waterproof external connector (WEC)

interact
ready.

Energy-efficient
and long lifetime:
up to 140lm/W
and 50khrs (L80)
lifetime

Many options
available:
L600/1200/1500,
up to 8000lm,
4000K

Enhanced product
architecture with
improved
electrical and
mechanical design
(longer sliders, better
metal locks, toolless
electrical connections)

Easy installation

- ✓ Longer sliders and improved locks for easier opening and closing
- ✓ Improved electrical design enables installation without using any tools

CoreLine wall-mounted

For circulation areas such as hallways and staircases

- Direct replacement of traditional wall-mounted luminaires
- Three lumen packages (1200, 2000 or 3400lm) and two colors (3000 or 4000K)
- **Water and vandalproof** as standard (IP65/IK08)
- Optional motion detection, including daylight sensing, dimming and wireless grouping function with MDU
- Choice of drivers: DALI with DC compatible, wireless with Interact ready
- Optional emergency lighting
- **Lifetime: 50,000 hours (L80)**

interact
ready.

Multi-lumen/Multi-color
option in one luminaire

Choice of colors:
white, grey and
black

Optional half-moon
accessory for decorative
purposes

Easy installation

- ✓ Handy push-in connectors
- ✓ Through-wiring possibility

CoreLine batten

LED luminaires for assembly lines and cove lighting

- Ideal for setting up seamless and aesthetic light-lines creations
- Tool-free, easy and flexible installation, with through-wiring possibility
- Direct replacement for conventional battens in terms of light performance, installation, flexibility and length
- **Lifetime: 50,000 hours (L70)**

Easy light-lines creation

Homogeneous
light distribution
in every
application

Openable top
compartment for easy
installation

Easy installation

- ✓ Smart product architecture for tool-free installation
- ✓ Through-wiring possibility

Recommended luminaires for

Retail & Hospitality

- ✓ Enhance experience
- ✓ Engage customers
- ✓ Improve sustainability
- ✓ Optimize operations

CoreLine projector

Accent lighting for retail or hospitality areas

- **Compact design** (ø 80 mm x 125 mm) with integrated driver
- Modern and minimalistic look in white or black finish ensures the projector blends in to many interior designs
- One to one replacement of conventional CDM-standard- based projectors
- Fits to most standard 3C tracks in the European market
- 25 or 38 degree beam angle with 3000 lm light output
- Energy-efficient: 100–110 lm/W
- **Lifetime: 50,000 hours (L70)**

Superior light quality with high CRI90 color rendering

Black version

Easy installation

- ✓ Connectable to numerous track systems
- ✓ Surface-mounting possible with GA70 adaptor

CoreLine recessed spot

Recessed spot for accent lighting purposes

- **Interact Ready version: integrated wireless antenna for use with Interact Pro app and dashboard**
- High-end materials for decorative applications and lens optics for a sparkly accent effect
- Flicker-free luminaire with high-performance driver
- Dimmable on wide range of wall-dimmers
- Also available with DALI dimming
- Multiple rims available in white, aluminium and black
- Slim design fits most ceiling types
- Now also available in 68mm cut-out (next to 78mm).
- **Lifetime: 50,000 hours (L70)**

interact ready.

Easy installation

Modular product with many different rim designs

Three lumen outputs available:

- 650lm
- 900lm
- 1200lm

Easy installation

- ✓ Push-in connector for fast and straightforward installation
- ✓ Through-wiring option
- ✓ Slim design fits most ceiling types

Recommended luminaires for

Outdoor

- ✓ Enhance experience
- ✓ Engage customers
- ✓ Improve sustainability
- ✓ Optimize operations

CoreLine malaga

Designed for general road, street and residential application

- **Reliable quality: aluminum die-cast housing and tempered flat glass**
- **Maintainable, driver can be replaced**
- IP65 and IK08 provide durable operation

Available in **two optics** (DM and DW) and **two sizes**

Easy return on investment. The investment in the luminaire, by saving lamp changes required for SON-T lamp luminaires, is already re-paid.

Energy savings of 50 % reduce yearly running costs of the installation. Available in 3700lm, 5500lm, 7500lm and 11000lm.

Easy installation

- ✓ No need to open the luminaire to connect the power cable
- ✓ Glass cover can be removed for maintenance of the driver

CoreLine tempo

Professional floodlight for general outdoor lighting, perfect for sports facilities, parking lots and industrial areas

- Replacement of conventional floodlights up to 400W
- High-performance asymmetrical and symmetrical optics
- U-shaped universal mounting bracket and external quick 3-pole IP68 connector
- Reliable quality: Die-casting aluminum housing guarantees robustness, vibration-proof, wind force protection

Product available in 4 types/sizes:

- CoreLine tempo small BVP110 - Length 285 mm
- CoreLine tempo medium BVP125 - Length 383 mm
- CoreLine tempo large BVP130 - Length 486 mm
- CoreLine tempo X-large BVP140 - Length: 583 mm

Warm white and neutral white available

Seaside resistant treatment and swimming pool protection options available

Easy installation

- ✓ External quick 3-pole IP68 connector
- ✓ U-shaped universal mounting bracket for flexible application

Real pros choose Philips LED lighting for:

The best products

- We're setting new standards for high-quality products that result in less maintenance, fewer technical hiccups and strengthens your reputation as a reliable lighting expert.
