

MINI AXIOM

Lampada a sospensione con COB LED (3000K) e alimentatore integrato nel rosone e installabile su binario YAKI evo. Struttura in pressofusione di alluminio disponibile nei colori bianco, nero e ottone bronzato. Il riflettore dal diametro di soli 18mm crea un fascio di luce concentrato (40°), per un'illuminazione puntuale. Ideale per qualsiasi ambiente della casa, dalla zona giorno al bagno, al corridoio, ma anche nelle installazioni in ambito ristorazione e hospitality. Proposto in versione singola e con rosone lineare da tre elementi in tinta con il corpo.

Pendant lamp with COB LED (3000K) and integrated driver in the ceiling rose. It can be mounted on track YAKI evo. Die-cast aluminium body in white, black and bronze copper finishes. The reflector with a very small diameter (only 18mm) creates a very concentrated light beam (40°) for accent lighting. Ideal for any room, from the living area to the bathroom and corridor, but also in restaurant and hospitality areas. Available in single version or with linear ceiling rose, in the same colour of the diffuser, for three elements.
