

# PIC-NIC

Lampada da tavolo a LED, portatile e ricaricabile, ideale per illuminare terrazze e giardini, ma perché no, anche per rallegrare il tuo pic-nic al parco.

Una lampada senza fili, che ti segue ovunque tu voglia andare.

Struttura in pressofusione di alluminio verniciato con pretrattamento per uso da esterno (IP54). Accensione con interruttore touch dimmer e ricarica a contatto tramite l'apposita base, durata della batteria 12 ore.

Disponibile in quattro colori (bianco, antracite, corten e verde) e in tre altezze.

LED table lamp, portable and rechargeable, ideal for illuminating patios and gardens, but why not, also to brighten up your picnic in the park.

A wireless lamp that follows you wherever you want to go. Painted die-cast aluminum frame with pre-treatment for outdoor use (IP54). Turned on with touch dimmer switch and contact charging via the touch base, battery life 12 hours.

Available in four colors (white, anthracite, corten and green) and three heights.

**INTERIOR/OUTDOOR Total Look**

Possibilità di installazione a sospensione tramite cavo e corda in finitura ecrù (5 mt) e a parete tramite gancio da ordinare come accessorio.

Possibility of suspension installation via cable and cord in ecrù finish (5 mt) and wall installation via hook to be ordered as an accessory.
