DISPOSAL
The crossed out wheeled bin symbol on the product indicates that at the end of its life the product shall be returned to authorized waste collection centers or to whom has the right to manage it. The proper separate collection and recycling of waste equipment at the time of disposal will help to protect natural resources and ensure that it is recycled in a manner that reduces possible negative effects on human health and the environment. For more information regarding waste collection centers, modalities and terms of law in force, please contact your local waste disposal authority.

Questo prodotto deve essere installato, collegato ed utilizzato in conformità alle norme in vigore e/o norme di installazione.
Per quanto riguarda le normative, specifiche e sviluppo di progetti vogliate di volta in volta chiedere sempre conferma delle informazioni riportate in questa pubblicazione.
