

# Product End-of-Life Instructions

**Product Range:** ED SWITCH DISCONNECT.

**Marketing Model/Name:** INS 630B/INS 1600  
INV 630/INV 1600

**Purpose:**

The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

**Note :**

This product family is not in the scope of EU directive 2002/96/EC, Waste Electrical and Electronic Equipment (WEEE).

## Operations recommended for the end of life treatment

There are several steps to process the products at the end of life so as to recover components, materials or energy :  
Reuse → Separation for special treatment → Other dismantling → Shredding.

**The components of the products that optimize the recycling performances are listed, identified and located hereunder.**

Recommendation	Number on drawing	Components	Weight (g)	Comment
Special treatment	1	Handle	81.5	Contains brominated flame retardant
