Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	This product protects against short circuit, cable overload, electrical shock by indirect contact and fire hazards. This device is combined with a NG125 circuit breaker to provide the earth leakage protection and circuit protection.
Product reference	19042
Additional similar product references	19000 19001 19002 19003 19004 19005 19008 19009 19010 19011 19012 19013 19014 19015 19016 19017 19018 19030 19031 19032 19033 19034 19035 19036 19037 19039 19040 19041 19044 19045 19046 19047
Total representative product mass	816 g
Representative product dimensions	118 x 207 x 81
Date of information release	11/2023

Additional information

<p>Legal information</p>	<p>The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.</p>	
<p>Recyclability potential</p>	<p>63%</p>	<p>Recyclability rate has been calculated based on REEECY'LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the "ECO'DEEE recyclability and recoverability calculation method" was taken. If no data was found a conservative assumption was used (0% recyclability).</p>
