

Product End of Life Instructions

TeSys Ultra Non reversing power base + Control unit

End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	PA with brominated flame retardants	1	W416296720215
To be depolluted	2	PBT with brominated flame retardants	7.9	W416295540122
To be depolluted	3	PBT with brominated flame retardants	8.7	W416295550122
To be depolluted	4	Electronic Board (Communication) > 10cm ²	12.13	AAV70048

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	The product is for advance motor management system and protection
Product reference	LUB12 + LUCA12FU
Additional similar product references	No
Total representative product mass	944 g
Representative product dimensions	125mmx160mmx45mm
Accessories	no
Date of information release	06-2024

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
In case of special transportation: transportation method	no	
Recyclability potential	57%	Recyclability rate has been calculated based on REEECY'LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the "ECO' DEEE recyclability and recoverability calculation method" was taken. If no data was found a conservative assumption was used (0% recyclability).
