# **Product End of Life Instructions**

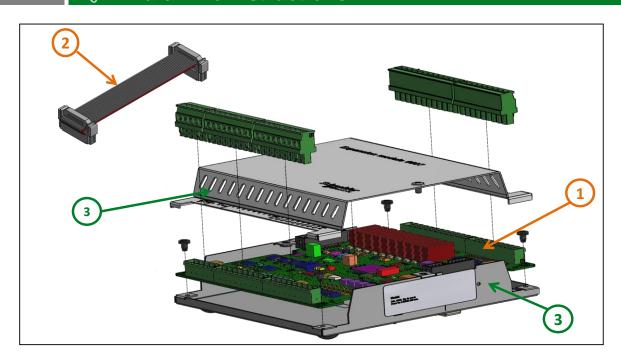

### TBUX297592S - Expansion Module 6607 IO

ENVEOLI2411015\_V1 12/15/2024

## **▼ End of Life Instructions**

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Electronic Board (Communication) greater than 10cm <sup>2</sup>	251.6	
To be depolluted	2	Cable	9.7	
Other	3	Metals, Semimetals, Plastics and Other parts	538.8	

## **Product description**

Manufacturer identification	Schneider Electric Industries SAS	
Brand name	Schneider Electric	
Product function	The 6607 I/O Expansion module increases the SCADAPack I/O capacity by providing 16 digital inputs, 8 of which have an associated counter,10 digital outputs, 8 analog inputs, 2 analog outputs. The 6607 input output module can be used with SCADAPack x70 RTUs.	
Product reference	TBUX297592S	
Total representative product mass	800 g	
Representative product dimensions	166mm x 142mm x 46mm	
Accessories	No Accessories needed	
Date of information release	12-2024	

ENVEOLI2411015\_V1 12/15/2024

### **Additional information**

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.		
In case of special transportation: transportation method	No special transportation required		
Recyclability potential	The recyclability rate was calculated from the recycling rates of each material making up the product based on REEECY'LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the EIME database and the related PSR was taken. If no data was found a conservative assumption was used (0% recyclability).
