

Product End of Life Instructions

Transfer Switch, TransferPacT Active Automatic, 630A, 400V

TransferPacT

End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1,2,3,4,5,6	Electronic Board (Power) > 10cm²	538.22	6 PCBA, including all soldering parts.
To be depolluted	7	transformer	350	transformer

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	TransferPacT Active Automatic 630A is automatic transfer switching equipment (ATSE) which to be used in power systems for transferring a load supply between a normal and an alternate source with a supply interruption during transfer.
Product reference	TA63D4L6304TPE
Additional similar product references	This range consists 250A to 800A, 3 and 4 pole, TransferPacT W/O LCD or remotary automatic transfer switch,the representative product used for analysis is 4P 630A (product number: TA63D4L6304TPE)
Total representative product mass	20699 g
Representative product dimensions	467mm x 341mm x 185mm
Accessories	No
Date of information release	10-2024

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
In case of special transportation: transportation method	No	
Recyclability potential	77%	Recyclability rate has been calculated based on REEECY'LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the “ECO’ DEEE recyclability and recoverability calculation method” was taken. If no data was found a conservative assumption was used (0% recyclability).
