

Product End of Life Instructions

PowerLogic™ Solid-Core Current Transformer – 250A/5A (Cable Applications)

Schneider
Electric

Potential disassembly risks

⚠ WARNING

HAZARD OF ELECTRIC SHOCK, EXPLOSION, OR ARC FLASH

- Wear your personal protective equipment (PPE) and comply with the safe electrical work practices.
- This equipment must only be installed and serviced by qualified electrical personnel.
- Turn off all power supplying equipment before working on or inside the equipment.
- Product may use multiple voltage/power sources. Disconnect ALL sources before servicing.
- Use a properly rated voltage sensing device to confirm that power is off. DO NOT depend on this product for voltage indication.
- Current transformer secondaries must be shorted or connected to a low burden at all times.
- Restrict the installation of current transformers in an area where it would block ventilation openings.
- Not suitable for Class 2 wiring methods and Not intended for connection to Class 2 equipment.

Failure to follow these instructions will result in death or serious injury.

End of Life Instructions

| Recommendation | Number on drawing | Component / Material | Weight (in g) | Comment |
|------------------|-------------------|----------------------|---------------|---------|
| To be dismantled | 1 | Core | 111.58 | |
| To be dismantled | 2 | Copper Wire | 14.7 | |
| To be dismantled | 3 | Housing | 31.79 | |

Product description

| | |
|-----------------------------------|---|
| Manufacturer identification | Schneider Electric Industries SAS |
| Brand name | Schneider Electric |
| Product function | The METSECT5CC025 is a tropicalised current transformer designed for cable applications. It supports a primary (line) current of 250 A and delivers a secondary current of 5 A. The transformer accommodates cables with an outer diameter up to 21 mm. |
| Product reference | METSECT5CC025 |
| Total representative product mass | 175 g |
| Representative product dimensions | Width 44mm * Height 65mm * Depth 37mm |
| Date of information release | 11-2025 |

Additional information

| | |
|-------------------------|--|
| Legal information | This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product. |
| Recyclability potential | 77% The recyclability rate was calculated from the recycling rates of each material making up the product based on REEECY'LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the EIME database and the related PSR was taken. If no data was found a conservative assumption was used (0% recyclability). |
