

# Product End of Life Instructions

## SpaceLogic KNX SWITCH / BLIND EXTENSION

## End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	PCBA 1	26.17	MIDDLE - PCBA
To be depolluted	2	PCBA 2	165.96	BOTTOM - PCBA

## Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	In a KNX system, this device is categorized under actuator. It is an extension from the master actuator and allows to control a combination of up to 8 light circuits or 4 blinds and shutters.
Product reference	MTN6805-0008
Total representative product mass	255 g
Representative product dimensions	77mm x 124mm x 157mm
Accessories	No
Date of information release	10-2024

## Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
In case of special transportation: transportation method	No	
Recyclability potential	0%	Recyclability rate has been calculated based on REEECY'LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the "ECO'DEEE recyclability and recoverability calculation method" was taken. If no data was found a conservative assumption was used (0% recyclability).
