

Product Datasheet

ITB1005

Main

Family	Unipolar Terminal Blocks				
Version	1 Pole 80 A				
Code	ITB1005				
Reference	ITB 80-11 W				
Color	Grey				
Number per package	10				
Weight (Kg)	0.070				
L (mm)	95				
Type	Ø holes (mm)	n° holes	Stripped wire (mm ²)	Wire with ferrule (mm ²)	Tightening Torque (Nm)
1	7.5	2	4 ÷ 16	2.5 ÷ 16	2
2	5.5	9	2.5 ÷ 6	1.5 ÷ 6	1.5

Technical Features

Insulating body: PA 6, UL 94-V0, Grey RAL 7035

Cover: PC UL 94-V0, transparent yellow

Conduction block: Brass

Screws: Galvanized steel

Direct mounting on DIN rail or support ITB2000

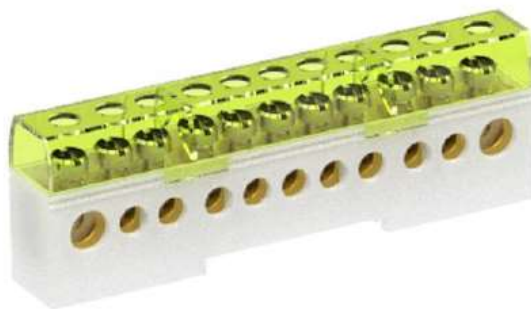

Nominal insulation voltage: 1000 V

Compliant with standard **EN 60947-7-1**

Halogen free

Grade IP20B

Maximum working temperature: +105 °C

Please contact Teknomega for non-specified tolerances.
