

160mm Insulated Wire Stripping Plier With Spring And Adjusting Screw

Basic data:

ID	0021090012
GTIN	7630268420697

Features:

- For stripping of single, multiple and fine stranded conductors with plastic or rubber insulation
- Max. Ø 5.0 mm resp. 10 mm² cable cross section
- With spring, adjusting screw and lock nut
- Scale for simple measuring of stripping length

Technical data:

Length:	168 mm
Strip range cross-section:	0 ... 10 mm ²
Strip range diameter:	0 ... 5 mm
Strip length adjustable:	Yes
Depth of notch adjustable:	Yes
Self-adjusting:	Yes
Jaw length:	36 mm
Head width:	21 mm
Head height:	10 mm
Insulated:	Yes
Isolation protection 1000 V:	Yes
Handle cover:	Plastic grips
Grip design:	2-components
Surface protection:	lacquered
With impact protection:	Yes
Weight:	186 g
