

Injection insulated voltage tester 3.0*70mm

Basic data:

| | |
|------|---------------|
| ID | 0004940001 |
| GTIN | 7630268400613 |

Features:

- * Single Pole Voltage Tester with full insulated blade and handle conforming to VDE 0680, 125-250 Volts AC with 3.0mm Slotted Blade
- * VDE certified

Technical data:

| | |
|-----------------------------|------------------------------------|
| Type of test: | 1-pole |
| Voltage indication: | Glow lamp |
| Voltage measuring range: | 125 ... 250 V |
| Length: | 155 mm |
| Blade length: | 70 mm |
| Blade width: | 3 mm |
| Continuity indication: | Optic |
| Current supply: | From test object (without battery) |
| Measuring circuit category: | None |
