Mounting accessories WINSTA® MINI 4-pole

With the mounting accessories from the WINSTA® MINI product line, zero-defect installation is guaranteed. You can rely on the quality of WINSTA® components from WAGO for your electrical installation accessories too. WINSTA® MINI follows the trend towards miniaturisation. Our smallest pluggable connection system is very good for lights, for instance, since as a result of LED technology; due to complex systems, these offer significantly less space for the connection technology.

Lower costs through fast commissioning and elimination of service expenses – solutions from WINSTA® MINI

WINSTA® is the pluggable connection system that is ideally tailored to the strict requirements of electrical installation. It offers fast, secure and, above all, error-free installation of components and cables. Now you can also lower installation costs without compromising quality and safety: The WINSTA® MINI accessory with protection against mismatching eliminates the need for servicing and prevents unnecessary downtime.

- consistent IP40 protection
- rapid, structured electrical installation
