Mounting accessories WINSTA® MINI 3-pole

The mounting accessories from the WINSTA® MINI product line guarantees you the greatest flexibility in electrical installation. An extensive range of accessories complements the WINSTA® product line from WAGO. WINSTA® MINI follows the trend towards miniaturisation. Our smallest pluggable connection system is primarily suited for lights, for example, since due to LED technology, these offer less and less space for the connection technology.

Lower costs through fast commissioning and elimination of service expenses – solutions from WINSTA® MINI

The WINSTA® Pluggable Connection System allows pluggable electrical installation. This saves time, lowers costs, and reduces the need for servicing. Enjoy the benefits of the pluggable version of our maintenance-free spring pressure connection technology tool! Plan your installation with WINSTA® MINI accessories from WAGO.

- easy tool-free operation, a wide range of coding options
- fast, secure installation
