S R44

FR Le luminaire sert uniquement à l'éclairage et doit être installé conformément aux prescriptions nationales en matière d'installation. Toute autre utilisation ou installation est considérée comme "non conforme".

SV Armaturen är uteslutande avsedd för belysning och ska installeras i enlighet med de nationella installationsbestämmelserna. All annan användning eller montering gäller som "icke ändamålsenlig".

DE Die Leuchte dient ausschließlich der Beleuchtung und ist entsprechend den nationalen Errichtungsbestimmungen zu installieren. Eine andere Nutzung oder ein anderer Einbau gilt als „nicht bestimmungsgemäß“.

IT L'apparecchio è destinato esclusivamente all'illuminazione e va installato in conformità alle leggi nazionali in vigore. Un altro impiego o un diverso tipo di montaggio non è considerato conforme alle disposizioni.

FI Valaisin on tarkoitettu ainoastaan valaistuskäyttöön, ja se on asennettava kansallisten määräysten mukaan. Muu käyttö tai muu asennus katsotaan sopimuksenvastaiseksi käytöksi.

EN The luminaire is used exclusively for lighting and is to be installed in accordance with the national installation regulations. Any other use or installation is regarded as "not according to instructions".

NL De lamp dient uitsluitend voor de verlichting en dient conform de nationale bouw-bepalingen te worden geïnstalleerd. Een ander gebruik of een andere inbouw is niet conform.

ES La lámpara está destinada exclusivamente a la iluminación y debe ser instalada de acuerdo con las pertinentes normas nacionales. Cualquier otro uso o instalación no se considerará "previsto por la norma".

FR **Attention!** Toujours travailler sans tension lors du câblage et de l'installation des luminaires et unités d'alimentation. Le non-respect de cette consigne peut entraîner la destruction des modules à LED.

SV **OBS!** Koble alltid fra strømmen ved kabling og installasjon av lampene og strømforsyningsenhetene. LED-modulene kan ødelegges dersom dette ignoreres.

DE **Achtung!** Während der Verdrahtung und Installation der Leuchten und Versorgungsgeräte immer spannungslos arbeiten. Nichtbeachtung kann zur Zerstörung der LED-Module führen.

IT **Attenzione!** Lavorare sempre in assenza di tensione mentre si cablano e si installano gli apparecchi e le unità di alimentazione. In caso contrario i moduli LED possono andare distrutti!

FI **Huom!** Valaisimien ja syöttölaitteiden kytkemisen ja asentamisen aikana on aina työskenneltävä jännitteettömästi. Muutoin led-moduulit voivat tuhoutua.

EN **Caution!** Make sure that the luminaires and power supply units are always disconnected from the mains supply during wiring and installation work. Otherwise, the LED modules may be destroyed.

NL **Opgelet!** Tijdens het bedraden en installeren van de armaturen en voedingsapparaten altijd zonder spanning werken. Bij niet-naleving hiervan kunnen de LED-modules ernstig worden beschadigd.

ES **Atención** Siempre mantenga desconectada la tensión al realizar las tareas de cableado y de instalación de las luminarias y dispositivos de alimentación. De lo contrario podría destruirse el módulo LED.

DE Die Montage und Inbetriebnahme darf nur von autorisiertem Fachpersonal durchgeführt werden.

NL De montage en inbedrijfstelling mogen enkel door erkend vakpersoneel worden uitgevoerd.

EN Installation and commissioning may only be carried out by authorized specialists.

SV Monteringen och idrifttagandet får endast företas av auktoriserad fackpersonal.

FR L'installation et la mise en service doivent obligatoirement être effectuées par des techniciens.

FI Asennuksen ja käyttöönoton saa tehdä vain auktorisoitu ammattihenkilöstö.

IT Montaggio ed avviamento devono essere eseguiti solo da personale specializzato.

ES El montaje y la puesta en marcha sólo puede ser realizado por personal especializado autorizado.
